

delamo[®] auto system

Work Smarter with Delamo Auto Systems, featuring Dock and Lock to connect tools.

Complete systems for Institutional, Industrial, Office, Healthcare and Educational applications, task specific and customizable.

Step One, choose Janitor Auto Cart or Auto Dolly with Dock station.

Step Two, select a Delamo Wringer, Dock-n-Mop microfiber bucket or Duo Dolly.

Step Three, add-on the 'right stuff' to get the job done, including Dynamo utility can and accessories, mops, brooms and more.

- Flexible configurations, change as needed
- Separate tools easily, reduces footprint
- No lifting mop buckets, locks in at floor level.
- Work Easier, Faster and Smarter!
